Subject: Thank you!

Hello Dick,

Please pass along my sincere gratitude to the rest of the NFHF executive committee for such a memorable, life changing experience as a mission #27 guardian.

Much of the day is too difficult to put into words. It is definitely an experience in which everyone should participate.

The four of you who I have dubbed the "blue crew" are all so amazing. Each one of you have such different personalities that all balance out the NFHF to ensure it is second to none.

All the best,

Betsy Villiard

(Mission 27 Guardian)
