April 24, 2017

To Whom it May Concern,

Recently, the Stevens Point Optimists sponsored and supervised a formal dance combining the ninth grade classes from Ben Franklin and P. J. Jacobs Junior High School.

To assist the Stevens Point Optimists in organizing this activity, each school forms a Ninth Grade Formal Committee. This committee completes various tasks for that organization prior to the formal dance. At the end of the event, the Stevens Point Optimists donate funds to the committee to be used as the committee chooses. This year's committee decided to contribute the entire donation from their formal dance to the Never Forgotten Honor Flight. Therefore, we have enclosed a check for \$500.00.

Please use the check to provide a veteran their chance to see the memorials of Washington D.C. and to be honored for sacrifices they made for our country.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'D. Dobratz', written over a horizontal line.

Dan Dobratz  
Principal
