Never Forgotten Honor Flight:

Please accept the enclosed donation totaling \$260 in memory of my husband, Rowe Klade, who passed away on June 27, 2014. The total sum is comprised of several memorials made in Rowe's name from family and friends.

Rowe was a member of the Army National Guard. He was called to active duty as a SP5 with the 32nd Infantry, Red Arrow Division, Co. A 1/105th Armor Division as a tank driver in Fort Lewis, Washington, during the Berlin Crisis. He was honorably discharged in 1963.

Thank you for the work you do in honoring our nation's veterans.

Sincerely,

A handwritten signature in cursive script that reads "Annette Klade".
