

December 26, 2016

Each year Trinity Lutheran sponsors a community Thanksgiving dinner. We deliver meals to shut-ins and elderly, and also serve meals for people who choose to dine-in. Most of the food used for the meal is donated by people and retail stores. We do accept a free will offering and all money donated is given to non-profit charitable organizations.

Our committee has selected you to receive money from our 2016 event.

Please use this donation to continue your good work.
