

Dear Mike,

On behalf of USA TODAY NETWORK – Wisconsin and our committed community partners, we present the enclosed check for \$502. Our team is honored to have this opportunity to serve Never Forgotten Honor Flight in its mission to brighten the lives of our veterans that served. With the proceeds from the DVD's, and the Meyer public premier, we are proud to be able to send a veteran to Washington D.C.

This program would not have been possible without the support of our Sponsors, Bellin Health and Festival Foods. We all have many choices when it comes to where we do business... so please keep Bellin Health and Festival Foods in mind when making those choices. We would also like to thank Cosmo Theatre, Meyer Theatre and Watts Communications for their work on the documentary.

Please accept our deepest gratitude for the work you do every day.
