Dear Folks,

I'm enclosing my check for \$1,000 so that 2 well-deserving Wis. veterans can go on the Honor Flight.

I'd like to donate this check in memory of my father, Basil Wm. Colbert, who served in WWII. He fought and was wounded in Germany in Apr. of 1945. He was an Army PFC & served in the Infantry. We believe he was with the 9th Army, 75th Division. He was wounded, but fortunately came back home.

In Oct. of 2004, my brothers & sisters & I (8 of us) made a trip to Wash. DC, where we got to see the WWII Memorial & all the others, too. What a wonderful experience.

My father would be happy that 2 veterans could see the Memorials & that they get the praise they deserve!

You do wonderful work & should be proud!
