

Pres. Mike Thompson
Vice Pres. Jim Campbell

Dear Leaders of Honor Flight Organization,

Roland and I do not know where to begin to Thank You as Leaders, for the wonderful weekend you planned for the World War II Veterans. We also thank your wives who made this so Special for us. There are so many to say thank you to the many Volunteers, Guardians, Nurses and so many more that gave their time to make it so wonderful for us. It is a memory we will always treasure. May the Lord Bless you all.

We found one thing so Special, that so many children were involved in the neat notes they wrote and for all the Patriotic pictures they colored for each Veteran on the motel doors. We are so happy that many teachers today are still teaching past history to our children. Our servicemen fought and gave their lives to keep our freedom in our wonderful Country America.

We trust our message of thanks will be passed on to those who gave so much of their time to honor us. We Thank You again for your leadership which was out standing every thing was so well organized. It is something that will be close to our hearts forever. It was so nice to meet all of you and so many wonderful people. Washington DC and all the memorials was a sight to behold. It was so nice to meet all of you Jim I missed meeting you sorry.

Thank You for your Love and all that you did to make us feel so special. May the Lord bless you and your family's and May God continue to Bless America our great land.

Sincerely,
Roland and Ethel Westerveld
